Milan Veljkovic, The Netherlands
Josef Vican, Slovakia
Nesrin Yardimci, Turkey
Riccardo Zanon, Luxembourg
Henryk Zobel, Poland

TOPICS

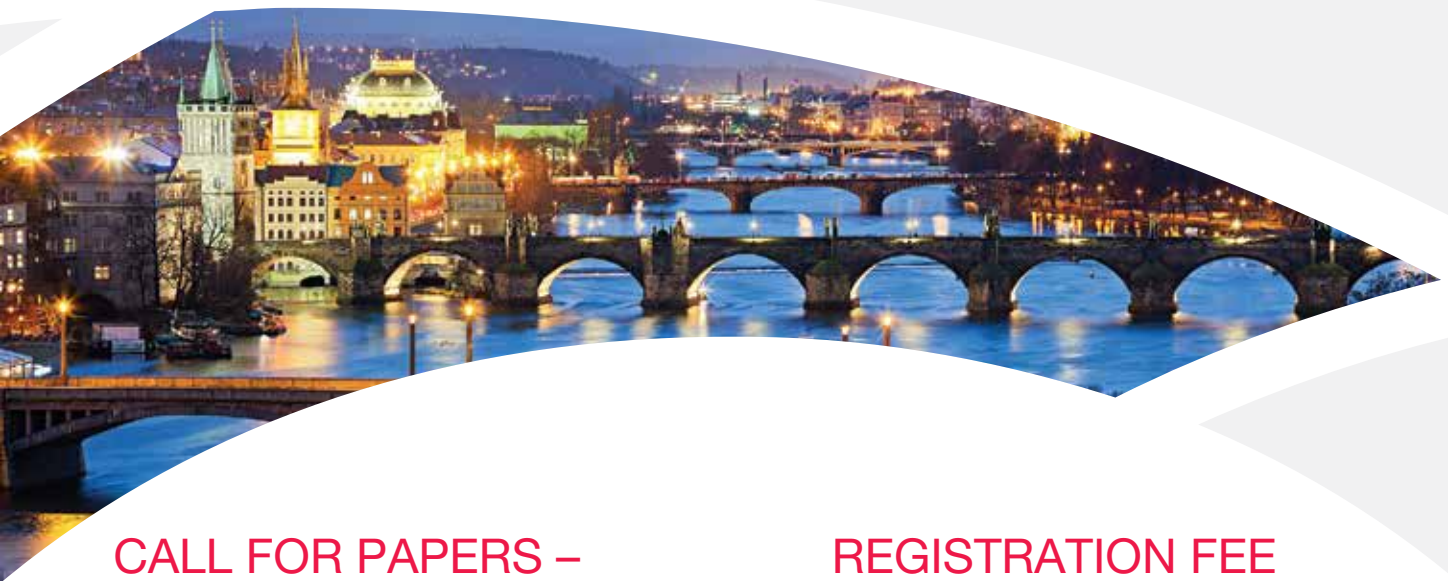

- Bridge architecture • Bridge maintenance • Bridge monitoring, computer technology and analysis • Case studies • Fabrication and construction
• Field testing • High strength steel for bridges • Highway bridges
• Historical bridges • Pedestrian bridges • Railway bridges • Refurbishment
• Safety and seismic behaviour • Structural connections • Surface protection
• Sustainability

ABOUT PRAGUE

Heart of Europe, one of the most beautiful cities in the world and an architectural dream on the Vltava river – this is Prague, the capital of Czech Republic.

Thanks to its location in the centre of Europe, Prague has always been an important crossroads of trade and culture. In the course of its thousand-year history, Prague has always been the political, cultural, and business centre of the country. Golden Prague is a city of hundred spires, an UNESCO site, a majestic and slightly mysterious city with a unique

atmosphere. Among the most visited sights are Prague Castle (one of the biggest castles in the world), Charles Bridge, or the Old Town Square with famous Astronomical Clock. You can enjoy the atmosphere of the city from a boat on the Vltava River, by walk through old streets and corners, relax in many parks and last but not least taste the famous Czech beer!

CALL FOR PAPERS – ABSTRACT SUBMISSION

Authors wishing to present a paper in accordance with Topics are invited to submit their abstract on emails janda@caok.cz and info@steelbridges2018.com. Authors will be notified about the delivery of their abstract by e-mail immediately. In case you will not receive confirmation within 48 hours, please check your spam folder and in case of no confirmation e-mail, please contact: janda@caok.cz or info@steelbridges2018.com.

An abstract of the paper must be no longer than 300 words, should summarize the contents of the paper and clearly indicate the relevance to the topics of the Symposium. The Symposium language is English (with translations to Czech during Symposium), therefore abstracts must be in English.

Abstracts and papers will be peer-reviewed by the Scientific Committee. The authors will be notified by e-mail about their abstract acceptance or rejection. The formatting instructions for the paper will be available soon.

All accepted full papers can be published in IOP Conference Series: Materials Science and Engineering and indexed in Scopus, Conference Proceedings Citations Index (ISI Web of Science), Compendex, Inspec and other databases. The papers will be published as Open Access (online as a single volume). It is optional possibility and in that case authors must pay additional 50 €. The formatting instructions for the paper are on <http://conferenceseries.iop.org/content/authors>

REGISTRATION FEE

The Symposium fee covers admission to the symposium, the Book of Abstracts, Proceedings on CD, symposium bag, coffee breaks and lunches for two days, Symposium Dinner. In the case of Accompanying Persons, Symposium Dinner, Tour and Gala Dinner can be bought separately.

	Before 01 July 2018	Beginning on 02 July 2018
